

Measuring Guide

Name & Surname: _____

Contact Number: _____

E-mail: _____

Points of Measurement:

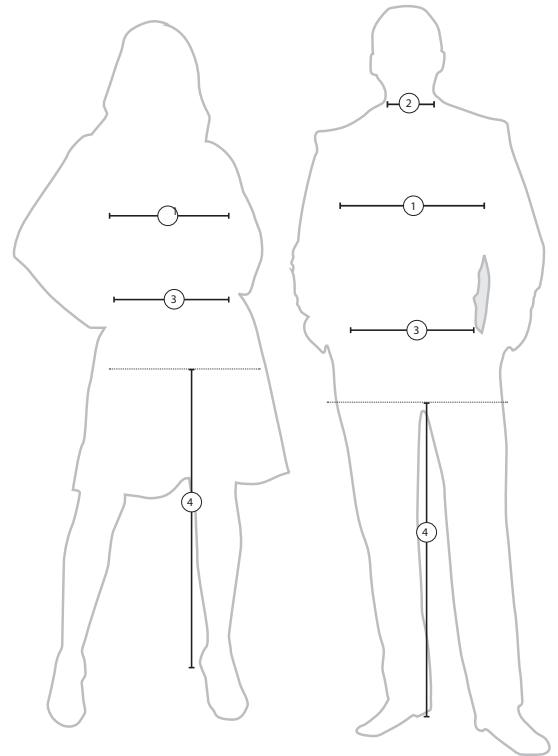

Chest (1) : Men are to measure around the fullest part of the chest (2.5cm below underarm area). Women to measure around the fullest part of the bust

Collar (2): Measure around the base of the neck

Waist (3): Measure around the natural waist, ensuring the measuring tape is pulled tight without slack

Inner Leg (4): Measure from the top of the inside leg at the crotch down to where the trousers are normally worn with shoes.

The measurements listed below should be actual body measurements, and not garment measurements. To help you select the most appropriate size of garment(s) please refer to measuring tips below.

Please e-mail this order form to **corporate@idmalta.com**
