

A TIME FOR DISCOVERY

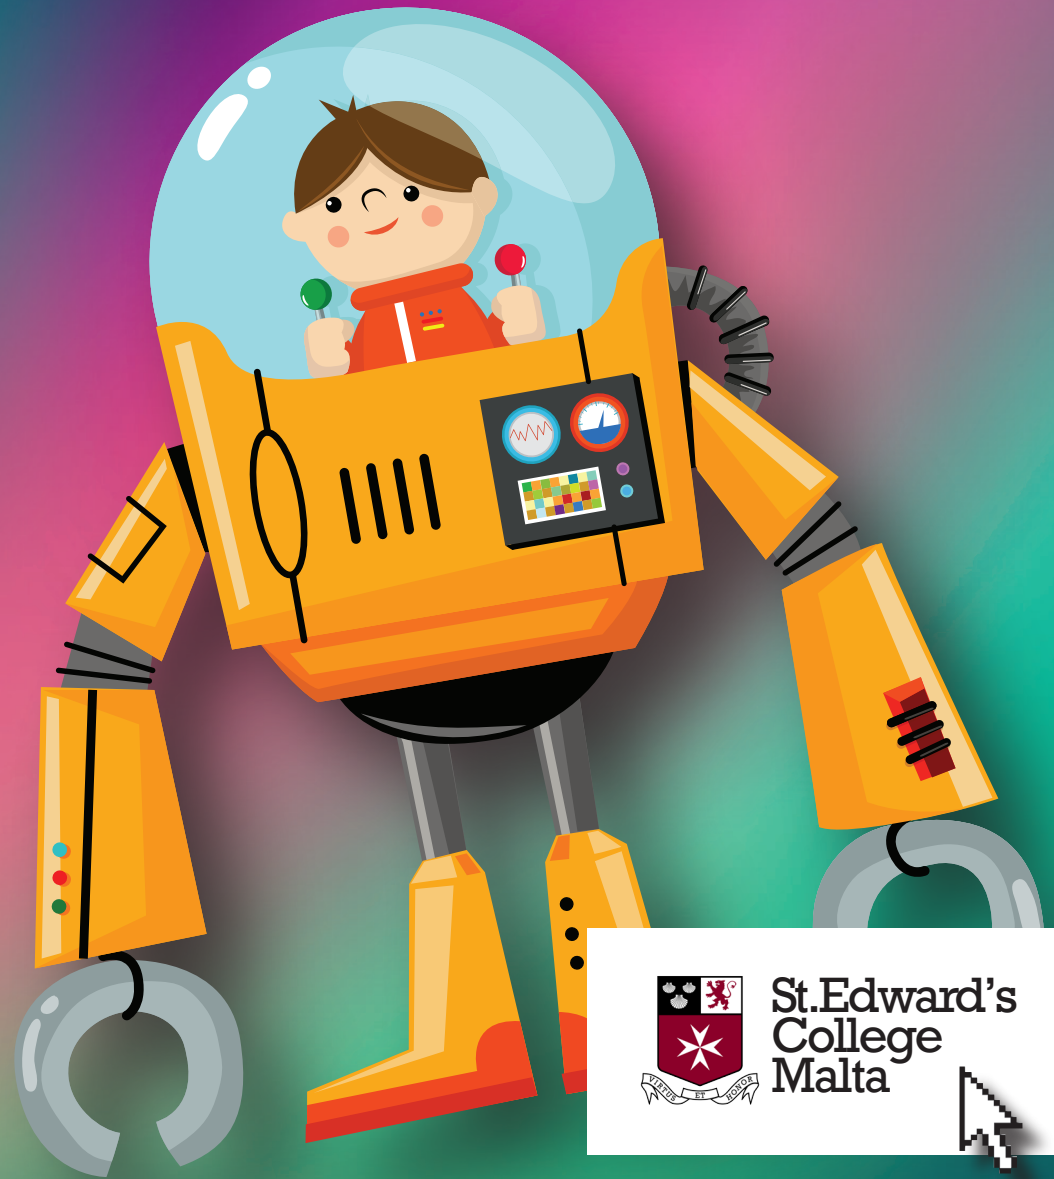

St. Edward's
College
Malta

This year St Edward's College has compiled eight weeks of activity centered round the theme of SCIENTIFIC DISCOVERY.

Join us in our unforgettable adventure this Summer! If your lovely cherubs are fond of crafts, swimming, cooking, sports, reading stories, learning about the world and simply making new friends, St Edward's Summer School programme is just the place for them to channel their inner Dr Strange.

DURING THESE 8 WEEKS

YOUR BOYS AND GIRLS WILL BE ABLE TO TURN INTO GENUINE ENGINEERS OF DISCOVERY AND EXPLORE THE WORLD OF:

- **ANIMALS AND SEA CREATURES**
- **NATURE • SCIENCE • ART OF COOKING**
- **HEALTHY LIFESTYLE AND SPORTS**
- **DIY FUN AND ACTIVITIES**

...and many other areas which will bring them plenty of joy and satisfaction while, at the same time, bathing in the warmth of the Summer sun and enjoying wonderful picnics in nature, in the valuable company of new friends.

THE ACTIVITIES

For all age groups, activities will include:

- Supervised outings
 - Arts and crafts
 - Water games
 - Sports activities
- Nature explorations
 - Storytelling
- Messy play and cookery
 - Free play

The following activities will be included but not all age groups will have them, since some children may be too young for some of the activities:

- Chemist
- Drone Exposure
- Health and Safety
- Young Engineers

The age groups are planned as follows:

Rising Suns (age: 3 years)

Little Rainbows (age: 4 years)

Chirpy Cherubs (age: 5 years)

Messy Munchkins (age: 6 years)

Rolling Thunders (age: 7 years +)

Rolling Thunders will be banded as well so that the groups will be as near to each other in age as possible.
